Substances of Very High Concern (SVHC) – Candidate List (currently 235 substances)

To whom it may concern,

We herewith confirm that in the manufacture of our products, supplied by Marabu GmbH & Co.KG, exempt the products listed in the attached annex, substances listed on the candidate list for REACH Annex XIV published by ECHA are not used as intentionally added ingredients.

The presence, however, of traces of these substances in amounts <0,1% in the product coming from raw material impurities, from the process or as adventitious contaminant can not be excluded.

The candidate list for REACH Annex XIV published by ECHA can be found at http://echa.europa.eu/candidate-list-table

Kind regards,
